EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Milton Kestenbaum on May 2, 2005.

The application has been amended as follows:

On page 7 of the substitute specification submitted January 18, 2005, page 7, before paragraph 0026, the following has been inserted:

-- The figure shows a schematic view of the motor vehicle heating equipment and control equipment.

Detailed Description of the Invention --

The following is an examiner's statement of reasons for allowance: The prior art considered, singly or in combination, does not show the combination of elements of claim 8 including hydraulic/pneumatic states and parameters of a fuel medium being detected in a signal detector by electrical behavior of the fuel metering pump, and being evaluated in the control equipment for control of the metering pump. The prior art considered, singly or in combination, does not show the combination of steps of claim 16 including detecting hydraulic/pneumatic states and parameters of a fuel medium in a signal detector of the control equipment by electrical behavior of the fuel metering pump.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
